BLOCKCHAIN CRYPTO SUMMIT

The State of Blockchain Technology and Cryptocurrency

WEDNESDAY, MAY 15, 2019

5:30 pm - 9:00 pm

CIVIC HALL, NEW YORK CITY

The Blockchain Crypto Summit is where industry experts converge to educate, inform and build consensus throughout the community. It's an opportunity for startups and established companies to seek out new opportunities and meaningful connections.

SPEAKERS:

JEFFREY WERNICK Investor

JEFFREY WERNICK, Investor

Jeffrey Wernick began trading options and futures while attending the University of Chicago. He worked at Salomon Brothers before becoming the youngest senior officer at The National Bank of Detroit. Jeffrey later founded AVI Portfolio Services Company, Inc. which he sold in 1984 to the largest insurance company in diversified financial interests. Today, Mr. Wernick is an independent investor whose portfolio includes early holdings in Uber, Airbnb and bitcoin. Jeffrey started mining bitcoin in 2009, the year it was created.

REGGIE MIDDLETON CEO, Veritaseum

Reggie Middleton has advised tens of thousands of investors, traders, hedge funds, family offices and global banks. Mr. Middleton publicly predicted the fall of Bear Stearns, Lehman Brothers, GGP (2nd largest US retail REIT), and the European sovereign debt crisis amid nearly 100 successful macro investment calls. Reggie's firm has been the first to settle a peer-to-peer blockchain swap

and Reggie's firm has been the first to settle a peer-to-peer blockchain swap, the first to apply for patent protection for the capital markets application of the technology in every major financial jurisdiction, and has heralded the merits of blockchain-based assets since 2013. He has been featured on The Keiser Report, Boom Bust, Bloomberg, BBC and CNBC on a regular basis.

Moderator:

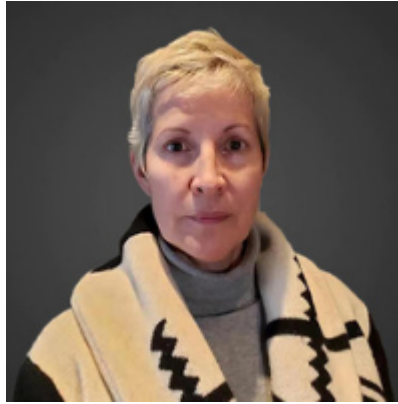

CLAUDE ARNELL MILHOUSE, Computer Scientist and Entrepreneur

Passionate about innovative at scale and disruptive computer science based entrepreneurship and education. In 2015, Founder of IntraCity Geeks (an innovative K-12 STEM education non-profit). CEO and co-founder of the CareerDevs Computer Science University.

We are disrupting how adolescents and adults learn computer science and entrepreneurship and find gainful 21st-century skills-based employment. CareerDevs DNA is rooted in critical, computational and algorithmic thinking. Self-learning, innovative problem solving and intellectual rigor are hallmarks of our culture. Our 12-month computer science education program supersedes the results coming out of many four year universities. We are proud of our relationship with the Nelson Center for Entrepreneurship at Brown Univ. and our relationship with Harvard Univ. CS50x. Our students are bold, instant impact software developers and engineers.

ELISABETH ANTON, CFO OF HOMEBLOC

Elisabeth Anton's international banking career includes equity research at Credit Suisse in Madrid where she covered the construction and building materials sectors, and private banking with HSBC in Dubai where she was Deputy Global Head of Investment Advisory. Ms. Anton was graduated from Yale University with a BA in English Literature, and from the Wharton School with an MBA in Finance.

Maomao Hu, Partner at Eigen Capital

Maomao has extensive experience leading teams to build and deploy fintech products, in organizations ranging from leading investment banks to new startups, to solve both microstructure problems like market surveillance and macrostructure problems like capital allocation. Currently, he manages cryptocurrency market maker Eigen Capital, recipient of "Best Quant Trading Team" and "Best Technology" awards from Huobi in 2018.

Max Thompson, Corporate Counsel at Paxful

Max Thompson is Corporate Counsel at Paxful where he advises on a wide range of legal and regulatory issues facing the company. Max began his legal career in the Office of General Counsel at the New York State Department of Financial Services where he was heavily involved in the creation of the "Bitlicense" regulation and the supervision of cryptocurrency entities subject to the Department's oversight. Prior to joining Paxful, Max practiced in the FinTech & Blockchain and Cybersecurity, Cybercrime & Incident Response practice groups at Murphy & McGonigle P.C. and also served as Assistant General Counsel and Assistant Corporate Secretary at Bank Leumi USA.
